Actual Capital. £250,000 0 0 Available Assets, 1,082,077 17 11 SPECIAL NOTICES. STATE OF OHIO, AUDITOR OF STATE'S OFFICE.) COLUMBUS, JEDURY SIST, 1872. It is a sad thing to pass through life only ha ive. Yet there are thousands whose habitual WHEREAS, The North British and Mercantile Insurance Company, located at London and Edinburgh, in the United Kingdom of Insurance Company, located at London and Editaburgh, in the United Kingdom of Great Britain and Ireland, a foreign Fire Insurance Company, is necessed of at least the amount of actual capitals required of similar companies formed under the provisions of the act entitled "An act to regulate Insurance Companies," passed April 15th, 1807, and the acts amendatory thereof and supplementary thereto, and has deposited with the Auditor of State of the State of Ohio, in trast for the benefit and security of its policy-holders residing in the State of Ohio, a sum not less than one hundred thousand dollars in stocks and securities required and allowed by said acts, and has filed in this office a certified copy of its Charter or Deed of Settlement, and a detailed statement of its assets and liabilities, and evidences of invostments, and otherwise complied with all the requisitions of the said acts, which are applicable to foreign Fire Insurance companies, partnerships and associations.

Now, therefore, in pursuance of law, 1, James Williams, Auditor of the State of Ohio, do hereby certify, that said Company is authorized to transactits appropriate business of Fire and Inland Insurance in this State, in accordance with law, until the Sist day of January, A. D. 1873. The condition and business of said Company, at the date of such statement, (Dec. 31, 1871,) is shown as follows: andition is one of languor and debility. They esitive pain; but they have no relish for anyhing which affords mental or sensuous pleasure. In nine cases out of ten this state of lassitude and In nine cases out of ten this state of lassitude and toryor arises from a morbid stomach. Indigestion destroys the energy of both mind and body. When the waste of nature is not supplied by a due and regular assimilation of the food, every organ is starved, every function is interrupted.

Now, what does common sense suggest under these croumstances of depression. The systemnesds rousing and strengthening; not merely for an hour or two, to sink afterward into a more pitiable condition than ever use it assuredly would deable condition than ever use it assured to the ever reserved.

needs rousing and strengthening; not merely for an hour or two, to sink atterward into a more pitiable condition than ever (as it assuredly would do if an ordinary alchoholte stimulant were resorted to, but radically and permanently.

How is this desirable object to be accomplished? The answer to this question, founded on the unvarying experience of a quarter of a century, is easily given. Infuse new vigor into the digrative organs by a course of Hoetster's Stomach Bitters. Do not waste time by administering temporary remedies, but wake the system up by recorperating the fountain-head of physical strength and energy, the fountain-head of physical strength and energy, the frame that a dozen doses of the great vegetable tonic and invigorant have been taken, the feable frame of the dyseptic will begin to feelits influence. Appetite will be created, and with appetite capacity to dignet what it craves. Persever until the cure is complete—until healthful blood, fit to be the material of flesh and musels, bone and nerve and brain, flows through the channel of circulation, instead of the watery publium with which they have heretofors been imperfectly amount of Expenditures for the preceding year in each.

Outside by said acts, and has filed in this office and catalic assets and liabil circ, and evidences of its Charterer or Deed of Settlement and actalic datable or outside oxplication, outside toop like the statement of its assets and liabil ties, and evidences of its Charterer or Deed of Settlement and actalic datable to foreign and actalic datable to foreign the foundation of the said ac which are applied with all the requisitions of the said ac which are applied with all the requisitions of the said ac which are applied with all the requisitions of the said ac which are applied with all the requisitions of the said and actalic datable to foreign and actalic datable to foreign the foundation of the said ac which are applied with all the requisitions of the said and which are applied with all the requisitions of the s
